## Who We Are

RHA Ventures is a boutique investment company for visionary founders looking for capital and a “Founders for Founders” approach to business. With decades of collective operational experience, the firm’s partners bring seasoned, hands-on support with go-to market approaches, commercial development, growth and exit strategies. RHA helps founders and entrepreneurs identify the most valuable market opportunities and scale their companies for sustainable growth. RHA leverages our core group of founders (business owners / entrepreneurs), an extensive network of mentors and connections, and investors to help entrepreneurs gain visibility, establish strategic relationships, and build successful companies.

RHA Ventures is a key investor and General Partner of the 519 Growth Funds. The 519 Growth Fund I was launched in 2022 to support innovations in early stage, growth-focused companies that are technology-enabled with demonstrated recurring revenue, market acceptance and a defensible market position.

## Team

The RHA Ventures team has an impressive track record investing in innovative companies and fund management. With decades of experience investing in both public and private companies, we have the expertise, network, and resources to help build exceptional companies.
